Wheeler National Wildlife Refuge consists of 35,000 acres and stretches for 20 miles along both sides of the Tennessee River. **In general, we strongly recommend you do not rely on an electronic navigation device to find your way around the refuge.** Inaccurate maps and limited reception can lead you astray.

Directions to Visitor Center and Headquarters:

From I-65 take exit 334 (Decatur/Priceville) and go north on Highway 67 for 3 miles. Visitor Center entrance will be on the left. The headquarters entrance is a quarter mile past visitor center entrance and will be on the right.

From Highway 31 turn onto Highway 67 south for 2 miles. Headquarters entrance will be on the left. The visitor center entrance is a quarter mile past headquarters and will be on the right.

From Highway Alt. 72 take Highway 67 south (Beltline Road) and follow it all the way through Decatur. After crossing the Highway 31 intersection, the visitor center will be 2.5 miles on the right.

The lat/long for the visitor center is 34.54742,-86.951081 and headquarters is 34.554577,-86.952068

There is an information kiosk located at the entrance to the visitor center and headquarters.
