- 10:00      **Break**
- 10:15 PM    **Mission Statement Review and Refinement**  
            HO-05a\_AppLCC\_Vision-Mission Statements  
  
            *Purpose: revisit the starting mission to make sure it is holding up.  
            Gather perspective on assumptions about the mission, what is missing, what can be done to add clarity and conciseness?  
            (Return at end of session – Day 2 -- to ensure/verify fit)*
- 11:00 AM    **Scope the AppLCC (3-5 Year) Work Plan**  
            Review the survey data and analyze major themes and feedback  
            Discuss strategic themes  
            Select key messages from the survey our plan must address

*Purpose: Capture the 3-5 strategic themes that define the necessary and sufficient scope for the AppLCC. The starting outline for this information will come from AppLCC background documents, the interviews, survey responses, and analyses of conservation planning documents. The ISC will refine and select these themes and develop them into goals and objectives during the session.*
