

APPALACHIAN

LANDSCAPE CONSERVATION COOPERATIVE

Appalachian LCC video material: available at: <http://applcc.org/video>

Landscape Conservation Cooperatives (LCCs) within the Regional Context

- **The Conservation Resource – Dr. Kenneth Elowe**

<http://applcc.org/video/the-conservation-resource-ken-elowe>

- **Role of LCCs in Sustaining Natural and Cultural Resources – Dr. Bill Uihlein**

<http://applcc.org/video/role-of-landscape-conservation-cooperatives-in-sustaining-natural>

- **Landscape-scale Conservation Planning – Dr. Robert Baldwin**

<http://applcc.org/video/landscape-scale-conservation-planning-pt-1-dr-rob-baldwin>

<http://applcc.org/video/landscape-scale-conservation-planning-pt-2-dr-rob-baldwin>

Tools and Approaches

- **Representative Species and Conservation Design – Andrew Milliken**

<http://applcc.org/video/andrew-milliken-representative-species-and-conservation-design>

- **Conservation Planning Atlas – Dr. John Tirpak**

<http://applcc.org/video/conservation-planning-atlas-john-tirpak>

- **Using SDM to Ensure Landscape-scale Sustainability for Natural and Cultural Resources – Dr. Rua Mordecai**

<http://applcc.org/video/using-sdm-to-ensure-landscape-scale-sustainability-for-natural>

- **Addressing the Challenges of Climate change in Southern Florida's Everglades Landscape – Dr. Juan Carlos Vargas**

http://www.conference.ifas.ufl.edu/GEER2010/Video_Presentations/Wednesday/Addressing_the_Challenges_of_Climate_Change_in_Sou/Player.html

- **Assessing Climate Vulnerability; Integrating this into the Planning Process – Dr. Olivia LeDee**

<http://applcc.org/page/april-15th-webinar-vulnerability-assessment>

<http://applcc.org/page/april-15th-webinar-vulnerability-assessment-part-2>

Planning and Foundational Tools to Aid in Landscape-level Products and Regional Initiatives

- **Central Appalachian Whole-System Landscape Vision – Thomas Minney**

<https://nethope.webex.com/nethope/lsr.php?AT=pb&SP=MC&rID=63574517&rKey=76cab81695ed24a>

- **Development by Design – Nels Johnson**

<http://applcc.org/video/development-by-design-nels-johnson-tamara-gagnolet>

- **Assessing the Impact of Projected Housing Density on High Priority Forest Birds – Dr. Todd Jones**

<http://applcc.org/video/assessing-the-impact-of-projected-housing-density-on-high>

Planning and Foundational Tools to Aid in Landscape-level Response to Climate Change

- **Integrated Federal Resources for Ecosystem Protection – Rick Durbrow**

<http://applcc.org/video/integrated-federal-resources-for-ecosystem-protection-rick>

- **Current Climate Science for Managers – Dr. Jean Brennan**
